To all:

Please see the attached revised logo based on our conversation last Thursday. We appreciate your feedback and attention to detail. We want the logo to be representative of all. Based on the feedback the logo has been revised to reflect the discussion:

- Silhouettes have been added to the logo to represent children and to be inclusive of the entire life span.
- The DCBHLT Vision has been added as a tag line to the logo.

Action:

If you have any additional feedback please send me to me as soon as possible.

If you do not have any additional changes please vote accordingly. The electronic votes will be compiled and with a majority vote will be deemed official.

Voting:

Please respond to this email by voting yes or no using the voting buttons at the top of the email. *If you are not able to locate the voting buttons please just respond with **yes or no** to this email.*

Please respond by February 1, 2016, so that we can finalize and move forward with adding the logo to our speakers bureau slides and website.

Thank you,
